

FL-501 - FY22 HUD CoC Program Competition - Notice to Project Applicants
Project Inclusion / Exclusion List with Project Scores and Project Priority Listing Placement
Technical Update - September 26, 2022

The Tampa Hillsborough Homeless Initiative is issuing an updated Notice of Inclusion/Exclusion on September 26, 2022 to make a technical adjustment. The amount of reallocation was incorrectly reflected in the final notice. This is a technical change and does not affect any inclusions or change in ranking.

The Tampa Hillsborough Homeless Initiative (THHI), as the lead agency and collaborative applicant for the Tampa/Hillsborough County CoC, hereby issues, on September 15, 2022, the Notice to Project Applicants of Inclusion / Exclusion for the FY22 HUD CoC Program Competition NOFO Application.

Inclusions (Accepted and Will Be Ranked): The projects listed below will be included in the FL-501 FY22 HUD-CoC Program Competition Application at the amounts indicated in the "Amount Requested" column and represents all of the projects submitted to the CoC and all projects will be listed on the FY22 Application's Project Priority Listing in the order listed below based on the CoC's Project Ranking Determination process. Included with this notice is the Renewal Project Scorecard for each of the scored Renewal Projects.

Exclusions (Rejected): No eligible project submitted to the CoC is being excluded from the FL-501 FY23 HUD-CoC Program Competition Application.

Application Amounts - Requested vs. Included (Reduced or Increased): The Amounts listed in "The Amount Requested" column match the amount the project requested and will be the amount included in the application.

PROJECT RANKING DETERMINATION

1 - Critical CoC System Components - Homeless Management Information System (HMIS) and Coordinated Entry (CE) Projects (renewals)

2 - Scored Renewals - Renewal Projects will be ranked by project type and Project Performance Score - PSH Projects will be first and ranked based on Project Performance Scores followed by RRH project ranked by Project Performance Scores. In the event of an overall tie score, then the project performance score will be used as the tie breaker.

3 - New Projects - New projects, including expansion projects, created through the CoC-Bonus or DV Bonus money will be placed at the bottom of the ranking.

<p>**NOTES: Gracepoint Wellness did not submitted the necessary renewal project scoring items or application to the CoC by the 3 PM on Tuesday, August 30, 2022. They submitted all documents on August 31, 2022. Our Local Process Instructions state failure to submit on time may result in a lower score/ranking and the Ranking and Review Committee recommends their project be placed in the lowest renewal position.</p>

*** The CoC has strategically decided to apply for a single rapid rehousing project in an amount less than the total available under the DV Bonus category to increase the chances of the project being selected for funding and to not jeopardize current (renewal) projects. This decision is based on a review of the type and size of projects awarded DV bonus projects during the previous HUD CoC Program Competitions; the total amount of DV Bonus funding HUD has available information in the FY22 HUD CoC Program Competition NOFO regarding viability criteria for new projects that HUD will be used to independently score the DV projects; and HUD's required ranking and tier process to include all projects. The maximum DV Bonus amount available to our CoC, based on HUD's NOFO is \$993,230. A CoC may apply for a total of 3 DV Bonus projects to include Rapid Rehousing, Joint Transitional Housing-Rapid Rehousing and Coordinated Entry.
