- 1. CoC Number and Name:** FL-501 - Tampa/Hillsborough County CoC
- 2. Collaborative Applicant Name:** Tampa Hillsborough Homeless Initiative

- 3. Project Name:** FL-501 CoC Planning Project Application
FY2021

- 4. Component Type:** CoC Planning Project Application

2B. Project Description

1. Provide a description that addresses the entire scope of the proposed project and how the Collaborative Applicant will use grant funds to comply with 24 CFR 578.7:

The Tampa Hillsborough Homeless Initiative (THHI) proposes to use the grant funds to improve the performance of the CoC system as a whole; to develop effective processes and strategies for addressing the severity of needs, vulnerabilities of the community and the availability of resources; and to improve on its role and responsibilities as the Collaborative Applicant (C.A.), CoC Lead, and HMIS Lead. Additionally, funds will help move THHI towards establishing the necessary systems to become a Unified Funding Agency (UFA) and a High Performing Community (HPC). The role of the C.A. is to design a collaborative process for the development of an application, evaluate the outcomes of projects for which funds are awarded, participate in the Consolidated Plan process, and ensure operation of and consistent participation by project sponsors in a Community-wide Homeless Management Information System. THHI will achieve the following outcomes:

-Increase/strengthen its monitoring and technical assistance processes. – Strengthen/streamline the Coordinated Entry System from a “no wrong door” to a centralized process. – Update/revise the CoC-wide Written Standards to include CoC and ESG eligible costs and programmatic requirements; models of care; best practices; and standard policies and procedures. - Strategically allocate funding resources to fund projects that are more aligned with HUD policy priorities of removing barriers to resources, addressing racial equity, and increasing affordable housing to make homelessness rare, brief, and non-recurring. - Streamlining the distribution of local government homeless funding through THHI; fostering community collaboration; and obtaining additional funding and housing resources for the community at large. - Contribute to the "Homeless Services" section of the City and County's Action and Consolidated Plans. – Continue to implement the Community's Strategic Plan "560 In 560" to address the issue of unsheltered homelessness and some of the top causes of homelessness. The plan goal to provide housing opportunities to 560 people in 560 days, was exceeded by 108% (615 HH housed). However, the pandemic and housing/rental market crisis have impeded efforts, therefore, some initiatives still need to be implemented and fully achieved, which is called 560 And Beyond:

- 1.Hillsborough County Expungement Clinic = 15% Completed/4 events/132 people helped
- 2.Second Chance Job Fair = 66% Completed/398 people served
- 3.Hot Spot Mobile Outreach = 175% Completed/349 people placed in shelter/housing
- 4.Rapid Exit = 150% Completed/750 people rapid re-housed
- 5.Speed Leasing = 61% Completed/164 people housed

2. Describe the estimated schedule for the proposed activities, the management plan, and the method for assuring effective and timely completion of all work.

The Tampa Hillsborough Homeless Initiative will serve the role of the Collaborative Applicant throughout the grant period. Over the one-year period of the grant, THHI will engage in developing the necessary tools and procedures in order to meet the standards for qualifying as an HPC and compete for UFA status. The work activities under this planning grant will be managed by the CEO and COO of THHI. With a comprehensive, well-coordinated, and clear planning process, we will incorporate and transition the following work activities into the layout of the planning grant according to the estimated timeline for completion:

- Provision of Technical Assistance June 2021 – Dec 2022
- Discharge Planning Coordination June 2021 – Dec 2022
- Update/Strengthen Coordinated Entry Process June 2021 – May 2022
- Update/Strengthen Coordinated Entry By-Name Lists Process June 2021 - May 2022
- Update/Strengthen CoC Outreach Policies and Procedures June 2021 - May 2022
- Update/Strengthen Outreach Policies and Procedures for Youth June 2021 - May 2022

- Coordinate CoC-wide Housing Initiatives June 2021 – Dec 2022
- Update CoC-wide Performance Measurements June 2022 Point-in-time Count February 2022

3. How will the requested funds improve or maintain the CoC's ability to evaluate the outcome of CoC and ESG projects?

The requested funds will continue to improve the CoC's ability to evaluate the outcomes of the CoC through effective system-wide and project level performance measurements and working with local governments to evaluate the outcomes of ESG projects; for example, THHI is currently administering State of Florida, Hillsborough County and City of Tampa ESG funds to ensure that the funds are strategically aligned with both Action Plans and the CoC's 560 in 560 Strategic Plan (560 and Beyond). The requested funds will also allow THHI to work more collaboratively with the CoC Executive Planning Committee and the City of Tampa and Hillsborough County governments to establish community-wide written standards and develop best/next practices for the improvement of the CoC system. Funds requested will contribute towards staffing to develop and improve upon systems, strategies, collaboration, coordination, procedures, and outcomes that are collectively aligned with two jurisdictions, the City of Tampa and Hillsborough County.

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

Updated 01/24/2020

Antoinette D. Hayes-Triplett
Chief Executive Officer
Tampa Hillsborough Homeless Initiative (THHI)

2019 Point-In-Time Count Results

The annual count of people experiencing homelessness is required by the Department of Housing and Urban Development. Nearly 500 volunteers canvassed the County on Thursday, February 28, 2019. The results of the count: **1,650 people** were homeless of those **672 people** did not have shelter.

2019 Results:

- ❖ 8% decrease in overall homelessness
- ❖ 13% decrease in Veterans facing homelessness
- ❖ 5% increase in unsheltered homelessness

Progress since 2014:

- ❖ 15% decrease in overall homelessness
- ❖ 38% decrease in unsheltered homelessness
- ❖ 37% decrease in Veteran homelessness
- ❖ 35% decrease in chronic homelessness
- ❖ 36% decrease in unaccompanied youth homelessness
- ❖ 37% decrease in family homelessness

560 In 560

Tampa/Hillsborough County Continuum of Care's (CoC) plan to address unsheltered homelessness and some of the top causes of homelessness by providing housing opportunities to 560 people in 560 days beginning June 2019 through December 2020.

In order to truly address homelessness, the community must simultaneously address the top causes of homelessness:

- ❖ Lack of Affordable Housing
- ❖ Poverty
- ❖ Mental Illness
- ❖ Unemployment
- ❖ Low Wages
- ❖ Substance Abuse

1. Hillsborough County Expungement Clinic

In a partnership with the State Attorney's Office 13th Judicial Circuit (SAO) and the Hillsborough County Commission on the Status of Women, Tampa Hillsborough Homeless Initiative (THHI) conducted the inaugural Hillsborough County Expungement Clinic in September 2018; over 1800 people registered. The clinic offered county residents who had been charged with a crime the opportunity to have one criminal record sealed or expunged. The expungement of a charge improves residents' opportunities for housing, employment and education. Three clinics were conducted in August, September and November. To date, over 300 people have been assisted, a savings of over \$750,000 for Hillsborough County residents.

- ❖ Proposed # of Persons Served: 900 people
- ❖ Target Population: People with criminal charges, but no convictions
- ❖ Frequency: Bi-monthly (9 clinics)
- ❖ Total Cost: \$70,000 (for 900 application fees)

2. Second Chance/ Re-Entry Job Fair

THHI will coordinate with community organizations and leaders to implement the Second Chance/Re-Entry Job Fair. In Hillsborough County, during the 2019 Homeless Point-In-Time Count, 32% of the adults reported they have been charged with a felony in the past.

The job fair will focus on providing employment opportunities for people with criminal records who are experiencing homelessness or recently emerged from homelessness. The Second Chance/Re-Entry Job Fair will feature employers with current job openings willing to hire residents that are unemployed/under employed due to their criminal record.

- ❖ Proposed # of Persons Served: 600 people
- ❖ Target Population: Ex-offenders seeking employment
- ❖ Frequency: 3 Events
- ❖ Total Cost: \$10,000 (set-up, venue, incentives)

3. Hot Spot Mobile Outreach

Based on the February 2019 Homeless Point-In-Time Count, 47% (672 people) of those experiencing homelessness were reported as unsheltered, in places not meant for human habitation (parks, benches, sidewalks, abandoned buildings, car, tent encampment areas, etc.)

To address the issue of unsheltered homelessness within several “hotspots” that are experiencing high rates of homelessness, THHI will collaborate with housing service providers and the current outreach teams to coordinate Hot Spot Mobile Outreach (HSMO). Mobile outreach teams in the past have provided basic on-site services (bus passes, snacks, water, blankets, etc.). By contrast, HSMO will be housing-centered. Mobile command centers will be established and remain at the hot spot locations for up to 30 days.

- ❖ Proposed # of Persons Served: 200 people
- ❖ Target Population: Unsheltered, people sleeping in areas not meant for human habitation
- ❖ Frequency: Monthly (two locations per month)
- ❖ Total Cost: \$250,000 (hotel vouchers, mobile command centers, coordinated entry specialists)

4. Rapid Exit from Shelters

Rapid Exit was introduced in emergency shelters in 2016. Funding for Rapid Exit is provided directly to those agencies in an effort to expedite the process of securing permanent housing for people that need minimal assistance to become stably housed. In the past, emergency shelters, the domestic violence program and the CHSC would need to refer their clients to an additional program to obtain housing vouchers. As a result of Rapid Exit, 15% more people are leaving shelters to move into permanent housing.

- ❖ Proposed # of Persons Served: 500 people
- ❖ Target Population: People with resources to sustain moving into permanent homes
- ❖ Frequency: On-going (Funding is available via the RFP process, once in every three years)
- ❖ Total Cost: \$2,000,000 (Funded by local, state and federal agencies)

5. Speed Leasing

Speed Leasing is a formalized matchmaking process which provides financial incentives to landlords who rent to residents that are experiencing housing barriers. The goal is to bring individuals and families that are experiencing homelessness together with landlords in a one-day event.

At each event, landlords will be able to exhibit available units and screen potential tenants; potential tenants will have the opportunity to meet with several landlords. Service providers will provide the short-to-mid term rental and utility assistance needed for securing housing.

- ❖ Proposed # of Persons Served: 270 people (90 households)
- ❖ Target Population: People with resources to sustain permanent housing
- ❖ Frequency: Quarterly (6 events)
- ❖ Total Cost: \$45,000 (leasing incentives for landlords, \$250 for move-in and \$250 after 6 months)

6. Operation: REVEILLE

Operation: REVEILLE is a housing-first initiative aimed at rapidly re-housing Veterans and developing a system of care to ensure that a Veteran never sleeps on the streets again.

Each year on Veterans Day, THHI in partnership with the member agencies of the Continuum of Care (CoC) and in conjunction with local, state, regional and national partners provide Veterans with keys to their very own homes. Each home is pre-furnished and stocked with food and household supplies.

- ❖ Proposed # of Persons Served: 75 people (50 households)
- ❖ Target Population: Disabled Veterans
- ❖ Frequency: Annually, on Veterans Day
- ❖ Total Cost: \$250,000 (furniture, deposits, food, supplies, etc.)
funded primarily with corporate donations

7. Housing Is Healthcare

Stable housing is a critical component to a person's health, especially for those experiencing chronic homelessness and chronic illness. In an effort to streamline the treatment process for participants and to increase the number of housing vouchers in our community, THHI proposes to partner with the Hillsborough County Healthcare.

Housing Is Healthcare will replicate the successful collaboration of housing and health care demonstrated at the Cypress Landing complex. Residents experiencing chronic homelessness have HUD vouchers for housing and receive case management and treatment via the Hillsborough County Healthcare Plan. This realignment would increase permanent housing vouchers by nearly 40%.

- ❖ Proposed # of persons served: 120 disabled people
- ❖ Target Population: People with a disability and experiencing homelessness
- ❖ Frequency: Ongoing (Cost for case management)
- ❖ Total Cost: \$3 million, annually (Proposed funding via the Hillsborough County Health Care Plan)

8. Community-wide Affordable Supportive Housing (CASH) Program

The Community-wide Affordable Supportive Housing (C.A.S.H.) Program is a method of increasing access to housing for people emerging from homelessness and are unlikely to obtain housing without assistance. The C.A.S.H. Program has four components: Developer Incentive, Risk Mitigation, Set Aside Units, and Rental Gap Incentive. This program will make 150 units available to persons emerging from homelessness.

- ❖ Proposed # of Persons Served: 150 people
- ❖ Target Population: People that are unsheltered and chronically homeless
- ❖ Frequency: Ongoing via RFP process
- ❖ Total Cost: \$3,000,000

9. Shared Housing

Shared Housing is one solution for many single people residing in shelters and homeless encampments. An efficiency apartment may not be obtainable even with income from low wage jobs or social security benefits.

THHI will work with developers/investors/local residents to purchase and rehab single family, 3 bedroom homes. THHI will also consider accessory dwelling units, tiny homes and manufactured homes.

It is common for people to develop a community and a support system while experiencing homelessness. Shared Housing will make housing affordable, keep those relationships intact and promote long term housing stability for those that may currently live together in shelters, encampments and parks. Shared Housing will not only help those experiencing homelessness, it will have an even greater impact on the community by improving the housing stock in low-income neighborhoods, provide opportunities for job training related to construction and provide opportunities for investment properties for local low-income residents.

- ❖ Proposed # of Persons Served: 50 units (150 people)
- ❖ Target Population: Low income individuals emerging from homelessness
- ❖ Frequency: Once
- ❖ Total Cost: \$7,000,000

10. The B.E.A.C.H. House

The Beginning of the End to Abolish Chronic Homelessness (B.E.A.C.H.) House is aimed at addressing chronic homelessness in Tampa/Hillsborough County. Those experiencing chronic homelessness are considered the most vulnerable population and represents 27% of the total homeless population.

The B.E.A.C.H. House would provide a friendly and safe environment for chronically homeless individuals who are the most visible, the most vulnerable and who would never be able to maintain their own living space due to physical or mental disabilities. THHI proposes to establish three houses. Each house would accommodate 15 severely chronically homeless people. Each person would have their own bedroom and bathroom with shared common areas. Long term case management will be included.

- ❖ Proposed # of people served: 45 people
- ❖ Target Population: Severely disabled/chronically homeless
- ❖ Frequency: Once for construction & annually for operations/case management
- ❖ Total Cost: \$11,000,000 (\$9,000,000 for construction for 3 communal living homes and \$2,000,000 for operation and case management)

Summary

Making homelessness rare, brief and non-recurring is a daunting and complex task. Homelessness is a community issue that requires a community response. **560 In 560** is an aggressive and lofty plan. However, the goals are achievable. Continuous collaborations with our current community partners are required, but developing new collaborations and resources are critical.

Building affordable housing is not the only solution because it is a slow and expensive process. Most people experiencing homelessness will not only need housing, but will require some sort of voucher or subsidy to even obtain affordable housing. **560 In 560** tackles this difficult merger of resources.

560 In 560 is an aggressive and lofty plan:

- ❖ Over 3,000 people will receive assistance.
- ❖ Nearly 700 people will receive housing assistance.
