

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD.gov at https://www.hud.gov/program_offices/comm_planning/coc.
- Questions regarding the FY 2021 CoC Program Competition process must be submitted to CoCNOFO@hud.gov.
- Questions related to e-snaps functionality (e.g., password lockout, access to user’s application account, updating Applicant Profile) must be submitted to e-snaps@hud.gov.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2021 Continuum of Care (CoC) Program Competition. For more information see FY 2021 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2021 CoC Program NOFO.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2019 Project Application will be imported into the FY 2021 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC’s HUD-approved GIW. If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2021 CoC Program Competition NOFA.

Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the "Submit Without Changes" process.

In general, HUD expects a project's proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

Due to e-snaps limitations, only previously submitted renewal applications can import data into the FY 2021 renewal project application. The data from previously submitted new and renewal project applications can be imported into a FY 2021 renewal project application. The "Submit without Changes" process is not applicable for:

- first time renewing project applications
- a project application that did not import last FY 2019 information
- a project that had Issues or Conditions that were addressed in FY 2019 Post-Award and updates need to be reflected in the FY 2021 project application
- a project that had amendments approved in FY 2019 or FY 2020 that need to be reflected in the FY 2021 project application

e-snaps will automatically be set to "Make Changes" and all questions on each screen must be updated.

Renewal projects that brought forward data from FY 2019 and have either a Leasing budget, Operating budget or use HUD PAID RENTS (Actual Rents) instead of FMR MAY NOT use the "Submit Without Changes" process and e-snaps will automatically be set to "Make Changes". All Leasing and Operating budgets, along with Rental Assistance budgets that use HUD PAID Rent will need to be updated in the application. Refer to the GIW posted on the HUD Exchange for accurate budget information on leasing and operating budgets and refer to the HUD PAID RENT document sent by your field office from HUD HQ to accurately set your rental assistance budgets that use HUD PAID rents. This will only impact the FY 2021 competition.

The e-snaps screens that remain "open" for required annual updates and do not affect applicants' ability to select "Submit without Changes" are:

- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6D. Sources of Match
- All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in "Read-Only" format and should be reviewed for accuracy; including any updates that were made to the 2019 or 2020 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select "Submit Without Changes" in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: "Submission Without Changes" Screen, select "Make Changes", and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Once a project applicant selects a checkbox and clicks "Save", the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions found on the left side menu of e-snaps or hud.gov to find more in depth information about applying under the FY 2021 CoC Competition.

Renewal Grant Consolidation or Renewal Grant Expansion

The FY2021 CoC Competition will continue offering opportunities to expand or consolidate CoC projects. A few changes have occurred that differentiate the process from FY 2019.

1. Expansions and Consolidations will submit individual applications.
 - a. Expansions will ONLY submit a Stand-Alone Renewal application and a Stand-Alone New application.
 - b. Consolidations will ONLY submit individual renewal project applications, identifying the renewal application that will survive, and the renewal applications that will terminate. Up to 10 grants may be included in a consolidation.

2. HUD HQ will combine the data (e.g., units, budgets) for Expansion or Consolidation requests from the individual project applications selected for conditional award and provide a data report with further instructions for the field office and conditional recipient.

1. Is this renewal project application No requesting to consolidate or expand?

If "No" click on "Next" or "Save & Next" below to move to the next screen.

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

Hillsborough HEART provides permanent supportive housing for 100 chronic homeless persons, in units leased by ACTS throughout Hillsborough County with comprehensive community based services. Services available to participants include: housing, employment assistance, transportation, and primary care/health care and entitlement enrollment, linkage to “other” community support services to address their individualized needs. Household income must be equal to or less than 50% of the area median income and at least one adult member of the household must have a disability; diagnosable substance use disorder, serious mental illness, developmental disability, or chronic physical illness limiting their ability to work or perform one or more activities of daily living. All referrals are identified through the coordinated Intake system prioritizing persons most vulnerable. At entry all persons will be living on the streets or in an emergency shelter. Each household is seen for an assessment to determine eligibility, for those eligible, case management will develop a housing stability plan. Using an Evidence Based Assertive Community Treatment Team model of care; services are tailored to the individuals’ needs and support from the team is available 24./7; comprehensive services are provided to assist the individual to be stably housed, and work toward self-sufficiency. This integrated team approach consists of members from psychiatry, nursing, social work, substance abuse and vocational rehabilitation. Services include outreach, assessment, assistance locating suitable affordable housing with consideration to choice and proximity to transportation, supports and resources. Services are provided in the community where the participant lives and will address each person’s individualized needs. Persons may continue to receive assistance as long as it is needed and they remain eligible. Housing must be rent reasonable. Each unit must pass an inspection and environmental review. Participants must have a one-year renewable lease and will be assisted in understanding their responsibilities, securing utilities, and making moving arrangements. Residents with income pay 30% of their income towards rent and utilities. The program works with those individuals most vulnerable to homelessness to identify housing and provide intensive support as needed as a person transitions from the streets to housing. Each person has an individualized treatment plan with no mandatory expectation that they receive services or are required to participate in any program activity. The HEART program maintains high fidelity to the Housing First program model. This project has all dedicated chronic beds with a target to serve those identified with substance abuse and/or mental health treatment needs.

Dedicated and DedicatedPLUS

A "100% Dedicated" project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.

A "DedicatedPLUS" project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

1. Is this project "100% Dedicated," DedicatedPLUS

“DedicatedPLUS,” or “N/A”?
(Only select “N/A” if this project was originally awarded as a grant that did not have requirements to only serve persons experiencing chronic homelessness and meets the definition of “non-dedicated permanent supportive housing beds” in the NOFO Section III.C.2.p).

Certification of Match Resources Commitment Tampa Hillsborough Homeless Initiative Continuum of Care Programs

CHIEF HUMAN SERVICES ADMINISTRATOR

Carl S. Harness

It is understood that the Tampa Hillsborough Homeless Initiative (THHI), formally Homeless Coalition of Hillsborough County, is coordinating the FY21 Application to the U.S. Department of Housing and Urban Development under the Continuum of Care Program.

Also, it is understood that the attached project list provides the information about projects being submitted and the number of households who will be eligible for Hillsborough County Health Care and that THHI and other community organizations will be arranging for case management and other community-based services to ensure access to the needed supports to obtain and retain housing placement; and, that care managers will be assisting with applications for disability income, Medicaid and other community resources as appropriate, including substance abuse treatment.

It is understood that the value of the health care received is used as match to support the project's CoC application to the U.S. Department of Housing and Urban Development and that THHI will have the responsibility for tracking access to these resources. The Hillsborough County Health Care Plan (HCHCP) is supported by sales tax revenues.

Hillsborough County is committed to making health care services available to persons at 138% of poverty level and below. Given that THHI and other community organizations will be offering services to persons with little or no income, Hillsborough County is committed to providing the match to the project listed below for the grant term indicated:

- ACTS - HEART – estimated forty-six (46) of adults for the grant term of December 1, 2022 – November 30, 2023, with the value of match estimated to be \$154,604.16.
