- Project Listings:

- New;
- Renewal;
- UFA Costs;

- Project applications on the following Project Listings must be approved and are not ranked per the FY 2026 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC, the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked or approved BEFORE submitting the CoC Priority Listing to HUD in e-snaps. FL-501 Tampa/Hillsborough County Continuum of Care
Project Listing for Certificate of Consistency with the Consolidated Plan
U.S. Department of Housing and Urban Development - FY 2026 CoC and YHDP Renewal Program NOFO

HUD released the Notice of Funding Opportunity (NOFO) for Fiscal Year (FY) 2026 Continuum of Care (CoC) and Youth Homelessness Demonstration Program (YHDP) Renewal or Replacement Grants on June 1, 2026 with a submission deadline of **Wednesday, August 26, 2026**. Based on HUD's NOFO, our CoC is eligible to apply for **\$11,794,827** in renewal funding and an estimate of **\$5,520,403** in new CoC funding (CoC Bonus, DV Bonus and Planning).

HUD made significant changes to the eligible project types and HUD's priorities in the FY 2026 NOFO that requires a community-wide shift from a focus on permanent housing (rapid rehousing and permanent supportive housing) to transitional housing, street outreach and supportive services only projects. In consultation with current CoC funded projects, the CoC Governing Board and THHI Board of Directors, most currently funded projects choose to reallocate five percent (5%) or more of their current projects - with many choosing to reallocate their full funding, of the creation of new transitional housing, street outreach and supportive services only projects. Through this reallocation process, \$3,527,395 become available (from the annual renewal demand amount) for new projects. This step was necessary for our continuum of care to submit a strong application based on HUD's priorities and scoring criteria.

U.S. Department of Housing and Urban Development - FY 2026 CoC and YHDP Renewal Program NOFO

HUD released the Notice of Funding Opportunity (NOFO) for Fiscal Year (FY) 2026 Continuum of Care (CoC) and Youth Homelessness Demonstration Program (YHDP) Renewal or Replacement Grants on June 1, 2026 with a submission deadline of **Wednesday, August 26, 2026**. Based on HUD’s NOFO, our CoC is eligible to apply for **\$11,794,827** in renewal funding and an estimate of **\$5,520,403** in new CoC funding (CoC Bonus, DV Bonus and Planning).

HUD made significant changes to the eligible project types and HUD's priorities in the FY 2026 NOFO that requires a community-wide shift from a focus on permanent housing (rapid rehousing and permanent supportive housing) to transitional housing, street outreach and supportive services only projects. In consultation with current CoC funded projects, the CoC Governing Board and THHI Board of Directors, most currently funded projects choose to reallocate five percent (5%) or more of their current projects - with many choosing to reallocate their full funding, of the creation of new transitional housing, street outreach and supportive services only projects. Through this reallocation process, \$3,527,395 become available (from the annual renewal demand amount) for new projects. This step was necessary for our continuum of care to submit a strong application based on HUD's priorities and scoring criteria.
