FY 2023 HUD-CoC Program Competition**

FY 2023 HUD CoC Competition – “2023 NOFO - AVG VI-SPDATs Scores” Report

Purpose

The Department of Housing and Urban Development (HUD) makes its mandatory for all Continuum of Care (CoC) funded projects to participate in coordinated entry (CE). This report looks at the average VI-SPDATs scores as a measure of how projects are prioritizing their enrollments based on our local CE policy and procedures.

Reporting Logic

To account for the effects of the new Homeless management Information Systems (HMIS) in our CoC, the following clients are including the report:

- Clients who were enrolled on or after **November 28th, 2022**, and;
- Clients who had a VI-SPDAT at the time of enrollment

Clients enrolled before the date noted above or did not have a score at the time of enrollment were excluded from the report.

PLEASE NOTE:

The following projects had no qualifying data within this timeframe and were excluded from this report:

- ACTS – Hillsborough Permanent Housing Project
- Gracepoint Wellness – PHAME THA Voucher Project
- Tampa Housing Authority – TRA Collaborative Project.
